

# Daylight Plus™ A-LINE LAMPS

- Energy efficient replacement for standard incandescent lamps
- 3000 hour lamp life – four times that of some conventional incandescent bulbs
- Higher lumen output than standard incandescent lamps
- Crisp, bright, high color temperature, natural white light
- Shatter-resistant heavy wall glass
- Make colors look their best

ECOLOGIC® is a comprehensive program of OSRAM SYLVANIA focused on addressing environmental issues at all stages of lamp life.

SYLVANIA *Daylight Plus*™ lamps deliver all of the benefits of halogen light in the familiar shape of the standard incandescent A19 lamp.

*Daylight Plus* A-Line lamps provide a brighter, whiter light than standard incandescent lamps in any application. And with life ratings that are up to four times longer than some standard incandescent lamps, they are perfect for applications where maintenance can be difficult or expensive.

*Daylight Plus* A-Line lamps provide a crisp, white halogen light in a standard A19 shape that is sure to fit any application. The natural light of these lamps make the colors in any décor look their best. *Daylight Plus* Crystal lamps, with their unique faceted design, add sparkle to any surroundings, indoors or out.

## Product Availability

### Product
