

Basic strip 24-36-48 wall

Ron Rezek

Wall mounted luminaires for direct linear fluorescent lighting, particularly suited for bathroom mirror applications.

- linear exposed fluorescent lamp
- body in aluminum extrusion with natural anodized finish or matte white powder coated finish
- end caps in chrome, silver, or white finish
- mounting to standard electrical junction boxes at center of luminaire
- optional clip-on perforated diffuser screen in anodized aluminum
- fixture supplied with a white powder coated cover plate for mounting to standard electrical junction boxes, and also with fitting for optional "pig-tail" conduit mounting without cover plate, directly to wall surface
