

POLYCARBONATE DIFFUSER

Type: Wall, Ceiling

Lamps: D20/17p - D20/17pw + D20/17.2
9W CFQ G23-2 (120V - 60Hz)
D20/17p + D20/17.5
8W LED 2700°K warm white

Product use: Indoor, Outdoor

Materials: Die-cast aluminium body
polycarbonate diffuser

Colors: Structure in white, painted alu, polished alu

Description: Sober and impeccable, the die-cast aluminium frame houses the diffuser and a series of interchangeable optics whereby either halogen or fluorescent lamps may be used. Metropoli is now proposed with LED sources for a higher efficiency. The diffuser comes in opal polycarbonate (waterproof).

Certifications: ADA IP65 (pw version)

Awards: Compasso d'Oro ADI Milano 1994, prize
