

ACCENT SERIES

The Highest Quality LED MR-16 halogen replacements in the world.

OPTILED shaping the future of light

Durable & Efficient

The OPTILED Accent Series of spotlamps provide more than 35,000 hours of lamp life while using a fraction of the energy a traditional MR-16 halogen consumes.

Alluring Light

OPTILED lamps provide consistent light with no hot spots, rings or halos! We offer warm white, cool white, and colored lamps with a wide variety of beam angles and diffuser patterns..

Light Smarter & Safer

Our Accent series of lamps emits NO UV RADIATION and is 100% Mercury Free. With its low operating temperature, our lamps are safe to use anywhere – even for low level lighting!

Visit us at www.OPTILED.com for more information about our LED lamp & fixture solutions.

ACCENT SERIES

The Highest Quality LED MR-16 halogen replacements in the world.

Six Star | ACCENT Series Lamp

Our Brightest MR16 lamp available utilizing 12 High powered LEDs in an innovative aluminum cage design for maximum heat dissipation. Available in a 60° beam angle, warm white (3000k) or daylight (6000K).

Technical Information

Base Type | GU 5.3
Operating Voltage | 12v
Avail. Colors | Daylight (6000K), Warm White (3000K)
Light Output Intensity | 150lm (Day), 85lm (WW)
Indoor Use Only
Rated Life | 35,000 hours
OPTILED Item Number | 13030608xx (Day Light), 13030508xx (Warm White)

Accent 3W | ACCENT Series Lamp

The Accent 3W generates an incredibly pure and beautiful 18° or 30° beam pattern. The 3W comes in warm white (3000K), white (3800K), and daylight (6000K) to give you flexibility when a spotlight is what you need.

Technical Information

Base Type | GU 5.3
Operating Voltage | 12v
Avail. Colors | Daylight (6000K), Warm White (3000K), White (3800K)
Light Output Intensity | About 60lm (3000K)
Indoor Use Only
Rated Life | 35,000 hours
OPTILED Item Number | 1303060806, 1303050806, 1303070806

Ceramic 3W | ACCENT Series Lamp

The Ceramic 3W uses the unique heat dissipating qualities of its housing to give you a high brightness LED (6000K) engine that will last even longer. The Ceramic 3W comes in three beam patterns (10°, 20°, and 30°) to give you more arrows in your quiver when you are targeting an object.

Technical Information

Base Type | GU 5.3
Operating Voltage | 12v
Beam Patterns Available | 10°, 20°, 30°
Avail. Colors | Daylight (6000K)
Light Output Intensity | 55lm
Indoor Use Only
Rated Life | 35,000 hours
OPTILED Item Number | 130606BBAA (30°) 130706BBAA (20°), 130806BBAA (10°)

Dimmable 2W | ACCENT Series Lamp

Our Dimmable 2W is our most flexible lamp in the Accent line. Changeable diffuser patterns are coupled with the ability to dim this eco-friendly lamp. The lamp comes in bright white, warm white, red, green, blue, and amber yellow. If low power-consuming spotlighting is what you need, the Dimmable 2W is for you.

Technical Information

Base Type | GU 5.3
Operating Voltage | 12v
Beam Patterns Available | 2°-80° (Changeable Diffusers)
Avail. Colors | Daylight (6000K), Warm White (3000K), Amber, Blue, Green, Red
Light Output Intensity | 14lm (Day), 12lm (WW)
Indoor Use Only
Rated Life | 35,000 hours
OPTILED Item Number | 140106BBAA, 140105BBAA

Accent 2W | ACCENT Series Lamp

Our original low-voltage spotlight has stood the test of time. Changeable diffuser patterns and a rainbow of color choices are coupled with advanced optics to get the most out of its energy-sipping light engine.

Technical Information

Base Type | GU 5.3
Operating Voltage | 6-24v
Beam Patterns Available | 2°-80° (Changeable Diffusers)
Avail. Colors | Daylight (6000K), Warm White (3000K), Amber, Blue, Green, Red
Light Output Intensity | 14lm (Day), 12lm (WW)
Indoor Use Only
Rated Life | 35,000 hours
OPTILED Item Number | 130106BBAA, 130105BBAA

Silver | ACCENT Series Fixture

“Silver” is our recessed mounted fixture tailor made for our Accent Series lamps. It is able to tilt to a 30° angle for precise aiming. Best yet is that you are able to “hide” the lamp within the fixture to eliminate glare. You will love the Silver’s simple elegance for all your spotlighting.

Technical Information

Lamp Holder | GU 5.3, GX5.3
Angle | Tilted 30° Angle
Mounting | 3.35in (80mm) hole
LED Bulb Compatibility | Accent 3W, Accent Cyclone 3W, Accent Ceramic 3W, Accent Dimmable 2W
Indoor Use Only
OPTILED Item Number | 20070001AA
