

3" HALOGEN/CMH WALL WASH

Small aperture wall wash with architectural appearance. Lamp is trim mounted for optimal light output. Trim angled with frosted linear spread lens which creates consistent and even horizontal and vertical illumination.

LAMPING & OPTICS

- Lamp is trim mounted
- Trim is angled with frosted linear spread lens which creates consistent and even horizontal and vertical illumination
- Low-voltage Halogen MR16 (75W max in Non-IC, 50W max in IC housing)
- CMH MR16 (20W or 39W max in non-IC only)

POWER SUPPLY

- Halogen ships with 75 watt 120 Volt electronic or magnetic transformer per specification
- Remote transformer available (ordered separately)
- CMH ships with electronic CMH ballast
- To specify 277 Volt, add -277 to end of the housing item number
- Power supplies can be accessed through the aperture

TRIMS

- Die cast aluminum with minimal thickness
- White can be field painted to match adjacent finishes
- Accommodates up to 1" ceiling thickness

HOUSING

- Non-IC: 11.5" x 17.5" x 6", IC: 11.5" x 17.5" x 9"
- Constructed of heavy gauge cold rolled steel with durable matte black powder coat finish
- 3-7/8" ceiling opening
- Airtight and available in IC, Non-IC or Chicago Plenum
- Includes integral junction box approved for branch circuit through wiring
- ETL listed. Damp listed.

INSTALLATION

- Includes adjustable hanger bars. Includes butterfly brackets that attach to the side of the housing and are vertically adjustable with a wing nut.
- Incorporates integral gun sights for positioning with laser level or string
