

Candle LED High Lumen Lamp

Verbatim's Candle LED light bulbs create ambiance to interior designs while providing the energy and cost savings of LED technology. Verbatim Candles have warm color temperatures of 2700K and 3000K that are great for use in accent lighting, decorative ceiling fixtures, chandeliers, and wall sconces and are fully dimmable. ENERGY STAR approved (3000K ONLY), these LED lamps have an estimated lifetime of 25,000 hours, saving you more in maintenance and replacement costs, and are backed by Verbatim's 3-year limited warranty.

Features & Benefits

ENERGY STAR certified lamp (3000K ONLY)

40W replacement

25,000 hour lifetime reduces maintenance costs and reduces energy consumption by over 85% when compared to traditional incandescent bulbs

Compatible with most commercial dimmers, offering 10%-100% dimming performance.

Color temperatures of 2700K & 3000K are ideal for accent lighting, decorative ceiling fixtures, chandeliers, or wall sconce applications

Cool LED light protects illuminated objects from radiated heat effects and reduces A/C loads

Environmentally-friendly product has no mercury or other hazardous materials and is RoHS compliant and UL listed.

3-year limited warranty

Specifications
