Product Details

Description:	Line voltage track head for use with W.A.C. brand H, L, J & J2 series track systems. In addition it may fit other manufacturer's original track (consult factory for specific brands).
Materials:	Die-cast aluminum track head with die-cast black louver for lamp shielding and polycarbonate track adaptor. Ceramic double contact socket with clear glass envelope covering socket and lamp.
Aiming:	350° horizontal rotation and 90° vertical aiming. The ball and hub style aiming allows easy and fine adjustment to the desired angle.
Lamping:	Uses 150 watt halogen double contact J-150-S. 120 volt. Lamp included. Louver snaps in and out for lamp maintenance.
Systems:	HTK is used with the W.A.C. H system track (HT). JTK is used with the W.A.C. J system and J2 system track (JT & J2-T). LTK is used with the W.A.C. L system track (LT)
Finish:	Abrasion resistant power coat paint finish. Available in Black (BK) and White (WT).
Listing:	UL & CUL Listed. 5 year W.A.C. Lighting product warranty.

Specification Features

- Die-cast aluminum fixture with durable single piece heat dissipating ridged body style. Applicable for use as a warm colored wall wash or general illumination track head.
- The 150 series track head utilizes the second circuit on the J2 style track with the use of the JClip (ordered separately).
- Line voltage track head extensions are available for the H system, available in 18", 24", 36" and 48" lengths. Add H18, H24, H36 or H48 to ordering code. Ordered as Black or white.

Compatible Accessories

JCLIP

Ordered when using track heads on 2nd circuit of J2 style track.

Order as JCLIP

Line Voltage Extensions

Extend HTK-150 track heads. Available in 18", 24", 36", 48"

Order as H(*length*)
